

COVID-19 Safety Precautions

Cleaning and disinfecting of all common area surfaces in the building has been increased.

Within the building, as elsewhere, all residents must:

- Practice social distancing at least 1.5 metres separation.
- Do frequent hand washing or use hand sanitisers.

If any residents are under required self-isolation, please inform the Building Manager. He can help to ensure that food or medicine deliveries are made to your apartment door. Please do not go outside your apartment into common areas of the building.

Full details of safety precautions and self-isolation recommended by the Australian Government can be found at <https://www.health.gov.au>
